However, some materials will remain in the classroom such as the Literature Textbook. The student will take novels, question packets, and worksheets from the room to complete homework. Also, students are expected to actively participate in the learning experience. They will interact and collaborate with teaching professionals and peers. Finally, the student must have a positive attitude towards himself/herself, peers, and teachers.

The 3 Ps

1. Prepared

2. Participate

3. Positive

Academic Integrity: "Students caught cheating, plagiarizing, copying homework and/or tests, quizzes, and using a paper from the Internet will be given a "0" (zero) on that assignment. In addition, their name will be reported to the office and filed in the event of future violations. Repeated violation could result in removal from class and a non-passing grade."

Grading Scale:

96.5 A+	86.5 B+	76.5 C+	66.5 D+
92.5 A	82.5 B	72.5 C	62.5 D
89.5 A-	79.5 B-	69.5 C-	59.5 D-

Homework: Home work will typically be assigned once or twice a week. Homework assignments will be PSSA reading passages or writing prompts, reading assigned pages from novels, answering comprehension questions, and completing various projects/assignments that coincide with reading selections. Any student that is absent has the responsibility of asking for assignments upon return, and he/she will be expected to complete the assignment in the same time frame.

Homework Philosophy: "The application of homework within almost every learning activity is a valuable means of reinforcement and evaluation. It is the teacher's role to define such assignments and the responsibility of the students to complete them on time. Parents must also assume their responsibility in regard to student homework; therefore, proper communication between the home and the school are vital in establishing assignments, which can significantly contribute to the overall educational process."
