Rules

LATE / INCOMPLETE WORK

* My expectation is that assignments be completed and turned in on time. You will have as many days to make up the work as you are absent to receive full credit. I will accept late work until the end of the 9 week grading period at half credit.

* Printer and Internet issues are not an excuse for late work.

* If quarantined, you are still expected to complete your assignments. All assignments will be provided through google classroom. Assignments will be accepted for full credit up to 3 days after returning from quarantine.

ABSENTEE POLICY

* **YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT.**

* If you are absent, YOU are responsible for completing your make-up work. Assignments will be uploaded to google classroom so that you can work on them while away from school. Please see me upon returning to see if there is anything else that you may have missed.

* If a quiz was administered on a day a student was absent, the quiz must be made up on the first day the student returns. If previously assigned work was due on the day of the absence, the work is due on the first day the student returns.

TECHNOLOGY

Smart devices will be used frequently in this course. Students are expected to abide by all school and district digital safety rules and guidelines. Failure to do so will result in said student being banned from technology while in FTLT. Your phone should not be used AT ALL in the classroom. If you are abusing the privilege of having your phone, I will confiscate it for the period. If it continues, I will confiscate it for the day. If I have to take your phone a third time, it will be sent to the office for parent pick up and a detention will be given.

PLAGIARISM

Plagiarism is the taking ideas and writings of another and passing them off as one's own.

In this class, plagiarism includes...

1. turning in another's **work** as one's own
2. **copying** work from a friend before class (or while in another class)
3. copying an **author's exact words** and passing them off as one's own

Students caught plagiarizing will be given a ZERO for the assignment.

CHEATING

* The teacher will notify the administration and contact parents if cheating / plagiarism is suspected.

* The student will be given a zero for that particular test or assignment.

HOMEWORK

Most work will be able to be completed in class if students use their time wisely. There will be a few take home assignments. Students will also receive homework credit for having their project materials in on time.

If work is not completed in class during the time allotted, it will become homework so students can adhere to assigned deadlines.

FOOD & DRINK POLICY

Students are allowed to bring food and drink into my classroom. Outside food and drink can be enjoyed AFTER all work for the day is completed. If outside food and drink become a distraction to the class, students will no longer be allowed to bring them in.

I, _____, have read and understand the rules and expectations for class. I acknowledge that it is my responsibility to contact my teacher if I have any questions or concerns. I know that this syllabus, assignments, calendars, and resources are available to me on the **Google Classroom** at any time. I know that assignments can be submitted digitally at any time and that printer/computer/flash drive issues are not an excuse for late work.
