## BEHAVIOR EXPECTATIONS

In addition to the expectations described in the student handbook, the student is required to follow the rules described below in Reading class:

1. Come to class on time and prepared.
2. Respect the teacher, the classroom, the other students, and yourself.
3. Follow class procedures, all directions, and school policies.
4. Put forth your best effort everyday.

## CONSEQUENCES

The consequences that the student receives for not following the rules depend on the severity and frequency of the infraction. Consequences may include:

1. A verbal warning
2. Moving the student's seat
3. A detention and a phone call/email home
4. Removal from the classroom

Serious behavioral issues will result in an immediate detention and/or removal from the classroom. Serious behavior issues are defined as behavior that disrupts the educational experience of the other students in the classroom and/or creates an unsafe classroom space for the other students and/or the teacher in the classroom.

## OTHER CLASSROOM POLICIES

### PASS POLICY:

Students will be given three passes each marking period. Students must use a pass when they leave the classroom. Extra passes can be turned in at the end of the marking period for extra credit.

### CELL PHONE POLICY:

Cell phones should be put away in the student's designated locker at the beginning of the school day. Any contact made with parents/legal guardians must be made through the office. Additionally, students are not permitted to use earbuds or smart watches during class. First Offense: The student receives an after school detention. Second Offense: The student receives a Saturday detention. Third Offense and Beyond: Phone must be turned into the front office daily.

### FOOD AND DRINK POLICY:

Food and drinks are not permitted in class. Food and drinks must be put away before class begins - students should be in their assigned seats when the bell rings.

## GRADING SCALE

Grades will be calculated by total points. Grades will reflect a variety of assignments, such as bell ringers, in-class work, exit slips, homework, tests, quizzes, and projects.

Weekly and daily work will be updated on Infinite Campus.

PLEASE NOTE: An "I" in the gradebook represents that the work is INCOMPLETE and has NOT been turned in. If the work is NOT turned in, it will turn into a ZERO grade!

A+ = 96.50 - 100	C+ = 76.50 - 79.49
A = 92.50 - 96.49	C = 72.50 - 76.49
A- = 89.50 - 92.49	C- = 69.50 - 72.49
B+ = 86.50 - 89.49	D+ = 66.50 - 69.49
B = 82.50 - 86.49	D = 59.50 - 66.49
B- = 79.50 - 82.49	F = 0 - 59.49

## HOMework POLICY

Assignments are due at the beginning of each class in the turn in bin or on Google Classroom (unless otherwise stated by Ms. Renkin).

Late work is not accepted for credit. "I left it at home" or "I forgot..." or "I must have lost it..." still make the work late, and therefore, not accepted for credit!

\*Exception: Major projects and writing assignments will be 10% for each day late (this will be clearly stated beforehand and outlined on the project assignment instructions).

## ABSENT WORK POLICY

Students who are absent are responsible for making up the work missed in class. Students should check the classroom calendar on Google Classroom before asking Ms. Renkin what assignments must be made up.

Students with an excused absence have one day for make-up for each day absent, which includes tests and quizzes! Unexcused absences will result in a ZERO for the assignment.

Students should schedule a time with Ms. Renkin to make-up any tests or quizzes.

## PLAGIARISM/CHEATING POLICY

Students should complete their own work. Plagiarism is stealing from someone else's work. This includes copying another student's work, allowing another student to copy your work, copying a source word for word without citing the information, using AI to write or edit work, stealing an idea or character from a book or movie, etc. If a student plagiarizes an assignment or cheats on a quiz/test, or if a student allows another student to copy his or her work, the following consequences will apply:

1. You will receive a zero (0) on the assignment and receive a consequence based upon the level of the infraction.
2. The student's name will be reported to the office and filed in the event of future violations. Repeated violation could result in removal from class, a non-passing grade, and/or a disciplinary hearing.

## UPCOMING DUE DATES

Students are expected to write down homework assignments in their agendas at the beginning of the class period. Homework assignments will be posted on the SmartBoard when students walk in, on the assignment board, and on the classroom calendar on Google Classroom.

Please note that due dates for assignments may change at the teacher's discretion.

Ms. Renkin is available during the advisory period for students who need extra assistance on completing assignments.
