

# Classroom Expectations

## What happens if a student breaks a classroom/school rule?

1. Verbal Warning
2. After School Detention
3. Parent Contact
4. Referral to Office

(consequences can include Saturday Detention, In School Suspension, etc.)

## How can I get extra help?

Students may seek help during the school day from their special or general education teachers during their support period and/or advisory.

“Extra academic assistance, such as tutoring, is also available by contacting the Guidance Office at (724) 662-2272. It is the students' responsibility to seek such tutoring if needed.”

## Cell Phone Policy

The classroom is a no cell phone zone unless specifically instructed by the teacher. **“Contacting a parent/guardian by using a cell phone without permission will be considered a violation of the cell phone policy.”** One warning will be given to put the cell phone away. After that warning the phone will be delivered to the office as outlined in the student handbook.

## Make Up Work Policy

“Students are required to make up all missed work within a maximum of one (1) school week (5 days) after returning from any absence. This includes students on a pre-approved trip of more than one (1) day. If a student is absent on the day of a scheduled assessment they will be required to complete that assessment on the day he/she returns to school unless other arrangements are made with the teacher.”

## What if I pass work in late?

Turning in work on time is important to build upon previously learned skills.

If a student is struggling with the amount of work and deadlines, reasonable arrangements can be made with me about more time given on the assignment.

“Success is the sum of small efforts, repeated day in and day out.”
